FEATURES & BENEFITS

10" FULL-COLOR TOUCH SCREEN WITH BROWSER POWERED BY ANDROID™ · Browse the web* during any workout! With the built-in 10" full-color touch screen and browser Powered by Android™, every FreeMotion® Cardio machine delivers the ultimate motivation to your gym members. Now, they can check the news, read email, watch sports highlights, get on Facebook® and more! Plus, with wireless connectivity and a USB connection, console software is upgradable for the life of the product.

IFIT LIVE™ TECHNOLOGY BUILT-IN · Get smarter workouts and faster results with iFit Live™ Technology. Featuring workouts Powered by Google Maps™, training with Jillian Michaels and personalized, goal-specific programs, this wireless technology is the ultimate workout experience! Speed, incline, decline or resistance controls automatically adjust to match terrain and maximize results. Now, users can customize their own fitness program, receive automatic workout downloads and manage their profile online.

INCLINE/DECLINE RAMP · Target more muscle with the exclusive design of this front drive elliptical. The adjustable ramp modifies the pedal path with inclines up to 20° that mimic a stepper movement, targeting calves and quads. The -3° decline replicates a skier motion to focus on glutes and hamstrings.

17" FREEVISION™ HDTV – OPTIONAL UPGRADE › Add motivation to any workout with this optional upgrade. A wide viewing angle and dynamic contrast and color saturation combine for a beautiful picture. Individual product TVs deliver a more personalized, entertaining workout for every user. The FreeMotion® Cardio consoles feature integrated TV controls and are prewired for a fast and easy upgrade.

REAR-ACCESS DESIGN › To maximize floor space and increase user safety, the e11.6 Elliptical was built with a rear-access design. It saves space and allows the user to enter and exit the machine in one easy step.

NATURAL FOOTPATH › The unique footpath of this elliptical features an extra-long stride length and close pedal arrangement so the user feels comfortable and natural throughout each stride.

ERS™ ELECTRONIC RESISTANCE SYSTEM › Instantly adjust the resistance with this sophisticated system. Engineered to be quiet and smooth, ERS™ delivers accurate, consistent resistance at the touch of a button.

SET-A-GOAL WORKOUT CENTER › Users can personalize workouts with this built-in training center. Simply input distance, time or calorie targets and the e11.6 Elliptical adjusts the resistance to reach the goal!

BUILT-IN WIRELESS CONTROLS › Connect each machine wirelessly to Cardio Theater, Broadcastvision™ Entertainment, MYE™ Entertainment, CardioVision and Fantaay™ audio broadcasting. Built-in compatibility eliminates the need for other hardware or wires.

DAISY CHAIN COMPATIBLE › Connect up to 4 cardio resistance machines (bike, elliptical or strider) to 1 outlet with the optional power cable. Ideal for locations with minimal power outlets, this feature aids in product placement throughout the fitness room(s).

ENTERTAINMENT CHARGING STATION › Charge an iPod®**, MP3 Player or phone during any workout with this convenient charging station. A headphone jack allows the user to listen to their music and Jillian Michaels during an iFit Live™ Workout.

*Web browsing feature can be disabled.
 **iPod is a trademark of Apple, Inc., registered in the US and other countries.
 iPod® not included.
 ***Wireless chest pulse strap not included.
